PARENTS: ASK ABOUT DATES. Start with one day.

Their next move starts here.

Ages 10-18 | Tuesday-Thursday | 3 November-10 December 2026 | 11am-4pm. For families in Kahawa West, Membley and OJ. Tony Kamau leads the coaching team.

01 Six weeks. Useful work to show.

3-5 Nov: Leadership. 10-12 Nov: Entrepreneurship. 17-19 Nov: AI literacy. 24-26 Nov: Robotics and automation. 1-3 Dec: Nanotechnology and materials. 8-10 Dec: Biotechnology. Career exploration and chess run throughout. Activities are adapted for younger and older learners; models and simulators replace lab work.

02 Three learning hours. A full afternoon.

11am-1pm: discover, discuss and make. 1-2pm: lunch and rest. 2-3pm: test, improve and explain. 3-4pm: chess, reflection and collection at 4pm. Each day builds something to explain: a decision, offer, model or next-step map.

03 Nearby, with lunch included.

Main venue: Kijabe Institute, Northern Bypass near Kahawa West, with 10 computers for paired rotations. Neighbouring Hotel Urban provides lunch and non-computer activity space. Lunch: beef or tripe with fries, rice or ugali, subject to the day's menu. Soda, sausage and transport are not included. Ask privately about dietary suitability.

04 KSh1,500 per day. Start with one day.

The first 20 enrolled learners retain this launch rate throughout the programme. Three days cost KSh4,500; all 18 days cost KSh27,000. No full-programme purchase is required. Choose preferred dates at easebrain.live/holiday-club. We reply with suitability, availability and joining details. Pay only after your place is confirmed.

05 Clear joining and cancellation terms.

Full refund if EaseBrain cancels. A parent may choose a refund or date change when cancelling at least 24 hours before the session; changes depend on availability. Ask us about later cancellations. Statutory rights are unaffected. Exact map pin, named daily adults, arrival/collection and consent arrangements are provided before acceptance.

Enquiries are open. Written programme guidance and final venue/supervision arrangements are being completed before places or payments are confirmed. An enquiry does not reserve a place.
